Overwheiming Republican Majority in Legielature.

Hartford Conn., Nov. 5. The voting off of the tes for representative in Mariborough and Branford makes the Connecticut house of representative stands: 221 Republicans, 33 Democrats.

Mr. Griswold, representative from Bethiehens, heretofore classed as Republican, is a Democrat. The Senate being lean, is a Democrat. The Senate being solidly Republican, 24, the Republican majority on joint ballot will be 213.

Providence, R. I., Noy. 5. The jewel-

Providence, R. I., Noy, 5. The jewel-ry business here has fell, immediate re-sults of McKinley's election. Several shops this morning poeted up notices of full time schedule. Millions Ready for Investment.

Baltimore, Nov. 5. Alexander Brown, head of the banking house of Alexander Brown & Sons, said today that \$10,000,000 was ready for investment in this State in the event of McKinley's election. Indianapolis, Ind., Nov. 5. Returns from all counties in Indiana show Mc-kinley's majority to be 22,179.

The Republicans elect 53 members of the house and Democrate 407. The senate stands 34 Republicans and 16 Democrat. The Congressional delegation will be 8 Republicans, 4 Democrats and one in doubt.

State in the event of McKinley's elec-tion.

"While I cannot give the details," added Mr. Brown, "I can say that it will be invested in pulp mills, iron mills and various other manufactories and the promotion and development of the interests of Baltimore and the State and thousands of men will be benefited thereby."

thereby."

Big Order Depended on McKinley's Election.

Hagerstown, Md., Nov. 5. R. S.
Crawford, president of the Crawford
Bicycle Works, expects soon to put to
work a large force of hands. Before
election he received an oyder for \$200,000 worth of bicycles from a Boston
firm but in the event of Bryan's election
the order was to be cancelled. As McKinley is elected the order stands good
and the community is rejoicing that this
large industry will be soon again in
operation. The works employ at times
nearly 2,000 men. State Goes to McKinley, Louisville, Ky., Nov. 6, 1 s. m. The Courier-Journal reports are that McKin-ley's plurality in Kentucky is 456 Pierre, S. D., Nov. 5. The returns are not in from 15 counties. Mckinley has a lend of 650 so far. The slump in the Republican estimates came from the fact that the railroad and mining vote went solidly for Bryan. operation. The v nearly 2,000 men.

Altopid's Defeat One of the most pleasing features of the election is the defeat of Governor onbied ability he represents everything that is degreeous in our politics: He recraited his following from the very worst elements of society and never confident of his re-election and takes his defeat very hard. In an interview he denounces the better element of the Democratic party that declined to accept the Chicago platform, and says although the Kepublicans have won the election this year the free silver forces will arisumph in 1900. In the meantime be opened to the many beautiful things Altgeld can be counted upon to demand the insertion of the "gold clause" in all

of his leases.

John Bull Anxious. As a matter of "policy" the Westmin EXECUTIVE DEPARTMENT.

It has ever been the common of our Christian Commonweakly, at the close of the harrest sea, be call upon her people to reader thanks but President McKinley will be more independent children.

We continue to enjoy the priceless blessings of free government. The principles of civil and preligious liberty, and respect for law, National, religious liberty, and respect for law, National, and State authority, still prevail throughout our case of the prices at which we are acling of our stock in preparation for the fieldays obvious why the English papers are to solicitous concerning the tariff. The Log-configuration of the prices at which we are acling of the fieldays of the prices at which we are acling of the fieldays of the prices at which we are acling of the fieldays of the prices at which we are acling of the fieldays of the prices at which we are acling of the field of the prices at which we are acling of the prices at which we are acling of the field of the prices at which we are acling of the prices at which we are acceptance. ster Gazette advises Mr. McKinley to let Providence has dealt kindly with our beloved law had proved the "salvation" of British industry. The mills over there have WATCHES, CLOUKS, SILVERWARE, designate instances on extra time, while our Thursday, the Twenty-sixth Bay of mills have been idle. The "policy" of the incoming Administration will be to open the mills in this country, the policy for which the American people voted on Tuesday last.

Depew Interviewed.

Mr. Depew had a conversation with a representative of the Boston Advertisor Wednesday in which he said:

wethered any the love of home and the affection for our Commonwealth to strengthened, and may the shoering of our thinkfutness and graduate dad expression in deeds of charing and kindress would the poor and unfortunate.

Cliven at Augusta, this fourth day of November, in the fear of our Lord one thousand, eight hundred and independence of the United states of America the one hundred and twenty-first.

Wethered y in which he said:

"I will tell you who that fellow Jones reminds me of. There was a fellow in New York once named De Soto, who was the manager of the American side of the first Atlantic cable. It was laid, you know, and the Queen sent a measure of the Independence of the United states of America the one hundred and the cable brook and there were no more liveaux-first.

Wethered y in which he said:

We Unstable you who that fellow Jones reminds me of. There was a fellow in New York once named De Soto, who was the manager of the American side of the first Atlantic cable. It was laid, some the President and the President said the President the Cable brooks another to the Queen. Then the cable brooks and there were no more liveaux-first.

states of America the one hundred and the cable broke and there were no more messages.

HENRY B. CLEAVES.

By the Governor.

SICHOLAS FESSENDEN,
Secretary of State.

Bryanism is Dead.

Later and more complete returns of the election come in slowly, but are of a character calculated to carry joy into the homes and confidence into husiness cir
state and carry joy into the cable broke and there were no more messages. "The stockholders were wild, and sent messages. "The stockholders were wild, and sent message after message to De Soto, will sail right. But there came no message after message to De Soto, wild, and sent messages.

The stockholders were wild, and sent messages.

The stockholders were wild, and sent messages from the other came no message after message to De Soto, wild, and rent messages.

The stockholders were wild, and sent messages from the other came no message after message to De Soto, wild, all right. But there came no message after message to De Soto, wild, and sent messages.

Later and more complete returns of the state of the door and there have been spure by a spider, once end of it fastened to the sleeper's and the state of the

The Funishment Went Astray

888 An exchange frints a story about Dr
Milber, at one time a popular Congregational preacher in I righand.

He had been holding services at a village ome on had accepted an invitation to pass the night at the house of one of the villagers. The good hearted hoets seeing the minister a cicthing dreached brought out a sunt of his own and sent his guest up stairs to put it on.

The good man had and was on the guest and was on the stairs of the stair

ome of man actified an invitation to pass the night at the house of one of the villagers. The good hearted hoet, seeing the minister a clothing drenched brought out a sunt of his own and sent his guest up stairs to put it on.

The good man had made the change and was on his way back to the atting room when the woman of the house came out of another room holding in her hands the big family Bible, out of which the doctor was to be invited to read a chapter before the family retired

At the same time she was not in a very amiable mood. Caroful housewires are apt to be put out of sorts by the advent of unexpected company. Seeing Dr. Miller in his borrowed garments, she mistook him for her husband, and as he passed in frout of her she lifted the book and brought it down pretty smartly on his head.

William is a lifting that of the state of the state of the lifting that of the state of the lifting that of the state of the lifting that of

eral ticket and passenger agent of the law in Dexter. Mr. Dearth Every Facility which their bal-ances, business and responsi-bility warrant. Maine Central railroad, and party, who 25 YEARS' EXPERIENCE terville, and the party left at 7 a. m. for a trip over the B. & A. railroad. They were to have gone to Caribon yesterday, pass the night there and come to Honltos today.

The house occupied by Alexander Robb at West Pittsfield, the Pushor homestead, built 60 years ago, was entirely consumed by 3re Monday morning. The blaze caught from a fire in the stove which had been set up in the shed to dry some varnish. Mr. Robb was postmaster and kept a small grocery store in one room in his house. The building was insured for a small amount.

As Ein ood Emerson, of Bluehill, was opening a ran of mixed paint in the new house of Bailey Bowden, the paint ignited by cigar ashes which fell into it and Mr. Emerson's hands were burned so badly that they had to be dressed by a physician. Miss Mary Bowden's clothes caught fire but by the prompt action another room, she was not badly burned. Some chavings were set on fire and the
